- **Direct & Indirect Taxation:** Income Tax Returns (Corporate & Individuals), Tax Audits (Form 3CD), GST Returns (GSTR-1, 3B, ITC Reconciliations, GSTR-9/9C), Sec 197 Lower Deduction Certs, TDS/TCS Compliance, Notice Scrutiny & Liaising with Tax officers.
- **Technology & Financial Controls:** Advanced Excel (Power Query, Macros), Power BI (DAX, Dashboards), Python (pandas, openpyxl), Tally Prime/ERP 9, Process Automation.

PROFESSIONAL EXPERIENCE

yourCFO | Financial Consulting & CFO Advisory Services — **Aug 2023 – Aug 2025**

Article Assistant – Accounts, Taxation & Financial Advisory — Thane / Mumbai, India

- **Client Portfolio Management:** Managed end-to-end accounting, compliance, and MIS reporting for high-profile clients in the fast-paced online gaming and tech sectors.
- **Financial Reporting & MIS:** Structured and delivered periodic executive MIS decks, daily cash-position trackers, and deposit reconciliations for leadership; assisted partner CFOs in finalizing IND AS financial statements and consolidation schedules.
- **Revenue Reconciliations & Controls:** Designed and operated multi-tier reconciliation frameworks resolving complex discrepancies between payment gateway settlements, user digital wallets, protecting revenue integrity across high transaction volumes.
- **Taxation & Statutory Compliance:** Filed monthly/quarterly GST returns (GSTR-1, 3B), annual returns, TDS returns (24Q, 26Q, 27Q), and Corporate & Individuals Income Tax filings with a 100% on-time record, zero penalty assessments, and rigorous ITC verification.
- **Tax Notice & Litigation Support:** Handled Income Tax and GST departmental notices, including review of notices, preparation of supporting documents and reconciliations, and online reply submissions; coordinated with tax authorities on matters across Mumbai and Thane. Also **supported senior advocates** with case briefs, documentation, and data reconciliations for an Article 226 writ petition, including travel to Kolkata for petition-related coordination.

- **Audit Coordination & Finalisation:** Managed **end-to-end audit coordination** for client books by liaising with external auditors, resolving audit queries, investigating expense and ledger variances, preparing supporting schedules and documentation, and coordinating query closure through audit finalisation.
- **Transaction Advisory & Financial Due Diligence:** Supported financial due diligence for a corporate engagement; prepared unrealised foreign exchange gain/loss schedules and balance sheet substantiation reports.
- **Reconciliation Automation & Financial Controls:** Built **Excel Power Query workflows** to consolidate reports from multiple folders and **automate reconciliations** across datasets; created Excel dashboards for reconciliation review and tracking. Developed Python scripts to download reports directly from websites and automated the processing of Tally-exported data for financial reporting, **reducing manual effort** in month-end book closures.
